Committee Chairs	2
CPE Luncheon	3
Annual Driller's Night	3

Message from the Board

It's a new year for the Tulsa Chapter of the OSCPAs and the newly elected board is honored to be a part of such a wonderful organization. Our Chapter has an incredible history and a long list of remarkable accomplishments. The existence of a local professional association that has thrived since 1928 through support of its members and adapted through changing times is an incredible testament of commitment to our profession, fellow members and our community.

As we look forward to this year, the board is excited to continue long standing events that so many members are excited to participate in each year; including A Day at the Aquarium, Annual Bowling Night, and Tulsa Drillers Night Out.

The monthly luncheons will continue, which gives members the opportunity to mingle with their peers over lunch and earn 1 hour of CPE credit. We had an outstanding show of attendance for the monthly luncheons this past year and anticipate the upcoming year being just as great. The topics are wide-ranging and the presenters are engaging and often very entertaining.

As always, the Fall and Spring Clusters were very successful. We are so grateful for the speakers and organizers that put so much time and effort into these presentations, so that we may have easy access to CPE credits.

The TCOSCPAs is excited to enhance our community while also promoting the profession through our community service projects. Members have volunteered their time to participate in the OSCPAs's Day of Service and the Tulsa Area United Way's Day of Caring. The Chapter also supports future area CPAs by awarding \$10,000 in Leadership Scholarships to deserving students, participating in campus activities and offering free chapter membership to students.

Our goal for the upcoming year is to add value to our community and the Chapter members by promoting the CPA profession through professionalism and outreach. We hope you will help us accomplish our mission by joining the TCOSCPAs and participating in the Chapter events this year.

Best Wishes.

Meet the Executive Board

Greg Jones
President

June Luncheon

The luncheon will be at the DoubleTree @ Warren Place on June 16h, 2016. The speaker will be Dana Pattison Garcia from Thomson Reuters and she will give us a presentation on "Tax Research." The cost of attending luncheon is \$25 for members, and \$30 for non-members. Online reservations are encouraged as spots fill up quickly, but walks in are welcome. Visit our website to register. www.tcoscpa.org

Annual TCOSCPA Drillers Night

The weather held out and made for a perfect night of baseball for members and friends of the Tulsa Chapter for our annual night out with the Tulsa Drillers. It was a close game and the fireworks after the game were amazing!

TCOSCPA Driller's Night

Have a Great Summer!!!
