

Seen here: Jeremy Moore receiving a check from Julie Stewart and Lori Rowan.

HOPE EVERYONE HAS A SAFE AND HAPPY THANKSGIVING. TO ALL THOSE DRIVING WE WISH YOU SAFE TRAVEL AND FOR EVERYONE HAVE A WONDERFUL HOLIDAY!!!

“To state the facts frankly is not to despair the future nor indict the past. The prudent heir takes careful inventory of his legacies and gives a faithful accounting to those whom he owes an obligation of trust.”

John F. Kennedy

CPA Run 2013

The 2013 Route 66 CPA Run was held September 14th. All sponsorships have been received and expenses paid. On November 12th, we were able to present the \$11,000 check to the Crime Prevention Network, previously known as the Crime Commission. Julie Stewart, committee chair and Lori Rowan committee member representing Accounting Principals, attended the Crime Prevention Network’s board meeting and presented the check to Jeremy Moore, Chair of the Crime Prevention Network and District Chief for the Tulsa Fire Department. The entire board offered their thanks to the Route 66 CPA Run committee for their continued support of the missions and goals of the Crime Prevention Network.

We would like to thank our sponsors (see page 4) for their support of the Route 66 CPA Run as well as the Crime Prevention Network. THANK YOU!

Record Numbers Attend Cluster

Each year the Tulsa Chapter of OSCAP offers Fall and Spring CPE Cluster events. These events allow you to get those much needed hours at convenient times.

This year the Chapter offered several interesting topics in October and November; including ObamaCare, Your Duty as a professional and various computer/technology updates.

If you have never been to a Cluster event, please consider attending. Not only do you get your CPE hours, there are a few vendors at each event and there is almost always a prize drawing. The price is reasonable, \$20.00 for members and \$40.00 for non-members. This includes a copy of the materials and a certificate when the class is complete. There are also refreshments – all accountants like cookies and muffins!

Spring is just around the corner! If you would like more information please check out our website at tcoscpa.org.

Meet the Board

The Tulsa Chapter is always looking for volunteers and the Board enjoys meeting the members that become involved with the Chapter. On November 12 at McNellie's South, the Board chatted with several new people who wanted to learn more about what they could do as well as speaking with current volunteers. The event was fun and lively! Thanks to the Board for the drinks and appetizers.

Join the TCOSCPA Today – Membership Goal of 750 members! We are close to 70% of the way to our membership goal this year. If you are a leader in your firm, encourage your staff to join the Tulsa Chapter! Tell us how we can be valuable to you. Find a way to be valuable to the CPA community. Do it through the Tulsa Chapter. [Tulsa Chapter Membership Application](#) with the option to pay with a credit card [online](#).

CPE Luncheons

Each month the Chapter hosts a luncheon at the Double Tree at Warren Place, this luncheon has a featured speaker and a very good meal. For each luncheon you attend you receive CPE credit and the price is more than reasonable. (Please check the website for more information.)

The topics at the luncheons are informative and usually helpful not only to your practice but to your clients. These luncheons let you network with other accountants, see old acquaintances that you may not have seen due to your busy schedule, or just sit and listen to the buzz of other accountants and what is going on in the profession.

Tax Season and Food

As we all know and like to quickly forget, tax season is just around the corner. This means eating restaurant food, running through the local drive-thru and lack of sleep.

Most accounting events involve food in some fashion. Luckily at the last CPE Cluster event instead of just soda and tea, there was juice and water.

Remember by replacing just one or two quick and easy choices with juice and fruit we can stay healthier through the Season.

Thanks Jim Small for providing those choices.

**“I WAS NEVER A CERTIFIED
PUBLIC ACCOUNTANT. I JUST
HAD A DEGREE IN ACCOUNTING.
IT WOULD REQUIRE PASSING A
TEST, WHICH I WOULD NOT HAVE
BEEN ABLE TO DO.”**
